

# Week Ending 3rd November

Dear Parents/Carers,

It was lovely to see the children back after their half term holiday and to see so many of you at Parents Evening on Wednesday. Mr McCrossan was pleased to see lots of you and to introduce himself as our Interim Headteacher. Please look out for him on the play-grounds on Tuesday, Wednesday and Friday mornings. He is keen to get to know all of our children and families so try and stop to say hello!

We have another busy half term ahead with lots of opportunities for you to get into school to see what your children have been learning and to celebrate with them during end of topic celebrations, weekly celebration assemblies and our Christmas productions. Please try and attend as many of these as possible to support your child.

Lots of children have been busy accessing 'Bug Club' over the past few weeks, if you have any problems with this please just speak to your child's classteacher.

Best wishes, Miss Moule

### Child safety online

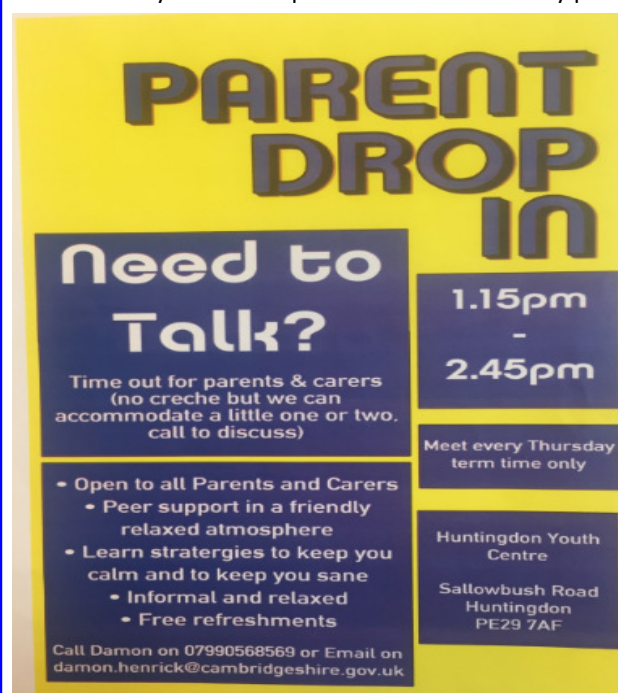

Social networking is hugely popular. Many young people are sophisticated in the way they use social media apps and websites, tailoring their communication for different audiences, and accessing them from a range of devices including smartphones, tablets, and games consoles.

But social media, like all forms of public communication, comes with some risks. Not all of these risks turn into actual problems; and if children never face any risks, they never learn how to deal with them. By helping your child understand what the risks are, you can play a big part in preventing them from turning into problems.

You can find out more about how children use social media, the apps they use, the risks they face, how to use privacy settings, and advice and tips about how to talk to your children at:

### Nursery Garden

The Nursery garden has been worked on over half term. Have a look over the Foundation Stage fence to see how amazing it already looks!
